1. A staffworker
2. The MYC coordinator [myc@afeswa.info](mailto:myc@afeswa.info)

## THE CROSS

JESUS' DEATH...MY LIFE

afes<sup>+</sup>

MID YEAR CONFERENCE  
17-21 JULY

## THE CROSS

The universal symbol of Christianity is not a manger or a dove, but a cross — one of the most gruesome methods of torture and execution ever invented. For some, Jesus' death is a turn-off. For others it's just the basic stuff you leave behind in Sunday School. For many it's not much more than a piece of jewellery.

But in Christianity Jesus' death is the key to everything—our relationship with God and with each other. Our sense of who we are, how we live, and what we do with our lives.

You couldn't spend five days of your life delving into to something more profound, worthwhile, and life changing. Jesus' death...your life.

## MID YEAR CONFERENCE

MYC is the one week of the year that you shouldn't miss! Students from the Christian Unions at every campus in WA get together for a life changing time of exploring God's word, singing his praises, and enjoying each other's company.

Join us in exploring the Bible together through seminars, small groups, talks, electives and late night conversations over coffee and milo.

## OUR SPEAKER

Ben Rae first really grasped the wonder of the cross as a student at UWA. where he studied science in between hanging out with friends. He worked in science for two years before studying theology returning to UWA as a staffworker.

He enjoys drinking coffee, reading novels, and hanging out with students. He is married to Shelley and they have a 6 year old daughter Emily, who is a constant reminder of God's love and patience.
