EXTRAVAGANT GRACE

MID YEAR CONFERENCE
16-20 JULY 2018

GRACE

Most nouns need adjectives to come alive – *heavy* breathing, *pungent* odour, *funky* music. But 'grace' is a noun that doesn't need any adjectives because it has them built in. Grace is generous and free, it is totally unexpected and undeserved – that is just what grace is. But grace is so outside our normal experience of life (where everything has an element of duty and reward) that we can't help but add adjectives, even though we don't need to – *amazing* grace, *extraordinary* grace, *extravagant* grace. And that really is what God's grace is like.

At MYC 2018 we will explore God's grace, we will feast on God's grace, we will luxuriate in God's grace. God's extravagant grace is sure to surprise you and to change you. It drives out fear and suspicion and pride; it brings confidence and joy and humility.

Join us as we enjoy God's grace.

MID YEAR CONFERENCE

MYC is the one week of the year that you shouldn't miss. Students from the Christian Unions at every campus in WA get together for a life changing 5-day residential conference where we explore God's word, sing his praises, and enjoy each other's company.

Join us as we dig in to the Bible together through seminars, small groups, talks, electives, and conversations over meals.

OUR SPEAKER

Tim is married to Rosemary and has been teaching, training and encouraging uni students for many years. He is one of the best Christian thinkers and speakers in Australia, and we are blessed to have him open the Bible and teach us this year on the topic of 'Extravagant Grace'.
